POEMS

1. PUNCTUALITY

Punctuality is a golden rule, learn it well while in school.

Work put off is time lost, which won't come back at any cost.

Do it well, do it soon.

Punctuality is a boon.

2.MOON

OH! Look at the moon,

She is shining up there.

Oh mother, she looks like a lamp in the air.

Last week she was smaller, and shaped like a bow.

But now she has grown bigger, and is round like an 'O'.

3. OUR SCHOOL

GO, go, go to School, go to school every day.

Sing, sing, sing the rhyme, sing the rhyme loudly.

Read, read, read the books, read the books happily.

Write, write, write the words, write the words neatly.

Play, play, play the games. Play the games joyfully.

Go, go, go to school, go to school every day.
